

## TEAM ZOEY THANKS

# MLHS Students

This past Thursday was the Second Annual student-organized MLHS Fashion Show benefiting Team Zoey/PRF which raised over \$10,000. We at Team Zoey are once again overwhelmed by all the love and support from the ML community. The Fashion Show was months in the making led by Senior Alyson Wolpov and her committee: Aleeza Grodofsky, Madison Gutowitz, Maddi Harris, Mackenzie Kaczka, Kate Moreau, Daniella Murray, Liz Nauss, Lauren Smith, Margie Smith and Mia Tomasella. First they needed art work for the flyer which was design by Meg Walters. Once the committee was in place they gathered over 60 students to model fashions from 580 South, B-Skinz, Gap, Flow Formal Wear, JB Creative Services, Joe Fresh and Robin's Closet. The hair and make-up services were provided by Christina's Salon of Montville and Fusion Hair Salon of Denville.

Next, Ally and her committee thought to make the Fashion Show complete they needed a runway. Thanks to Mark Prusina for making this possible. To top off the event they had music by DJ Berny Beatz, a photo booth supplied by Michael Fusco and operated by Coach Fusco, lighting by Stephen Drabik and Crew, photos by Caron Toth and Video by Lou Bellucci and of course, MC Matt Dilanno. All of this would not have been possible were it not for the support of the Superintendent Dr. Anne Mucci, Principal Doug Wilkens and the help and guidance of Mr. Dave Wolfelsperger.

In true "LAKER" fashion we join together and help whoever is in need. That was truly demonstrated last Thursday. I am so proud of all the students for their hard work, dedication and passion to help Team Zoey/PRF. They make me so proud to be part of such a wonderful community. It continues to amaze me every time we have an event how many people work to make the event a HUGE success and how many people show up to be a part of it.

Thank you all again; we at Team Zoey/PRF are eternally grateful.

Together We WILL Find The Cure!
